EXPERIENCE

- **Reliance Industries** Jamnagar, India
GET-IT August 2024 - Present
 - Developed an online mango booking system with dual inventory management for township and city users, time-restricted purchasing, 2FA authentication, and Jio Payment Gateway integration.
 - Developed R-Availability System to track server uptime and downtime with user-based roles, real-time monitoring, and detailed reporting
- **Tech Holding** Ahmedabad, India
Internship-Intern January 2024 - May 2024
 - Explored and debugged codebase of a project management tool, resolving issues, aiding in code migration, and gaining exposure to both front-end and backend aspects during internship.
 - Explored technologies and frameworks including React, Node.js, REST API, PostgreSQL, Git, GitHub to support project exploration and development
- **Distribute Aid** Remote, India
Volunteer November 2024 - Present
 - Contributed to their organization's open source issues on Github.

PROJECTS

- **R-Mango:** January, 2025
 - Designed and implemented a dual inventory management system to handle separate stock allocations for township and city users, ensuring optimized distribution.
 - Developed an admin panel for daily inventory uploads, time-restricted purchasing, secure 2FA login, and integrated Jio Payment Gateway for seamless transactions.
- **Doctor-Patient Appointment Scheduler:** link September, 2024
 - Developed and deployed an appointment booking app using Next.js on Vercel with role-based access for users, admin, and superadmin.
 - Implemented features for booking, scheduling, and managing appointments, allowing doctors to manage availability and superadmin to oversee all activities.
- **Simple-Plan(Project Management Tool):** link April, 2024
 - Successfully identified and resolved critical bugs
 - Utilized React.js to develop front-end pages for the project

SKILLS

- **Languages**
HTML, CSS, Javascript
- **Softwares**
VS Code, Postman, PostgreSQL, Git
- **Libraries and Frameworks**
React.js, Express.js, REST API, Material UI, Prisma ORM, Shadcn/ui, GraphQL

EDUCATION

- **Nirma University** Ahmedabad, India
B.Tech in EC PPI: 7/10 October 2020-June 2024
